

Jordan DeDea

Digital Design and Web Development
for Creatives and Self Starters

Projects

Jr. Front End Developer / Moral Holdings

MAR 2021 – JUNE 2021 (WICHITA, KS)

Developed and designed functional websites for multiple startup companies. Redesigned websites for existing companies and provided guidance on new positioning / branding.

Web Developer / InCreativeCo

DEC 2020 – FEB 2021 (REMOTE)

Injected custom code into Squarespace template to develop responsive sidebar and menu navigations for company website. Developed from wireframes provided by the design team.

Graphic Designer / No Tricks Just Treats

OCT 2020 (FREEHOLD, NJ)

Designed print materials, labels, packaging, and advertising copy for a relief effort that delivered Halloween candy safely to families during the COVID19 pandemic lockdown.

Art Director & Web Design / Aweless Fest

JAN 2020 – MAY 2020 (FREEHOLD, NJ)

Designed and directed digital materials, social media graphics, and advertising copy for a pop-punk music festival. Developed and maintained website for the event that was updated weekly to engage the audience and build anticipation and excitement.

Web Design & Dev / Aweless Agencies

FEB 2018 – MAY 2020 (FREEHOLD, NJ)

Developed a CMS company website that could be updated from company's end to highlight and detail new artist and events. Designed wireframes and prototypes. Optimised website for SEO and produced branded assets to be used across the website.
